- By-law no. 25.43-2021 modifying zoning by-law no. 25-2006 in order to protect a wooded sector, by creating zone P03-310 within zone H03-308, as it appears on the plan at Appendix 1 of these Regulations;

- Resolution No. 22-06-168 which authorizes a specific project for the construction, modification or occupation of an immovable (PPCMOI) in accordance with By-Law No. 114-2021 on PPCMOI which entered into force on April 6th, 2021;

- By-law no. 25.41-2021 which adds standards concerning bi-family and multi-family dwelling units that are necessary in zone H04-432, enlarges zone H04-432 by adding lot 5 806 516 from zone H04-413, in order to authorize uses H2 and H3 there as well as integrated projects and to review the grids of uses and standards for zones H04-432 and H04-433.
