MESSAGE FROM THE MAYOR

Here it is, the new more ecological municipal bulletin, La Voix d'Ormstown. The bulletin showcases the collaborative and communication efforts of the various départements and organizations of the municipality.

You will find a variety of information about many subjects, events, and in the coming months, the citizen's corner and info-messages from the Sûreté du Québec (SQ) will be added among others.

The bulletin will come out at the beginning of every month and comments and suggestions for improvement are most welcomed. The bulletin means to be an interactive communication tool between the Municipality and its citizens of all ages.

I wish you happy reading till next month.

Christine McAleer
 Mayor of Ormstown.
